THE FOURTEENTH ANNUAL  
AREA EXHIBITION

OF WORK BY ARTISTS OF  
WASHINGTON & VICINITY

NOVEMBER 21 — DECEMBER 20, 1959

THE CORCORAN GALLERY OF ART

145. LEONARD MAURER

Chartres No. 3

## **FOREWORD**

For the first time this year a group of paintings to be selected from the Exhibition will be circulated to other museums. For the past thirteen years the Area exhibition has afforded a chance for artists in the Greater Washington area to show their work to this community. This year, through the interest of the Birmingham Museum of Art, the George Thomas Hunter Gallery of Art, the Columbus Museum of Arts and Crafts, the Georgia Museum of Art, and the Norton Gallery and School of Art, which have requested the traveling show, some of the paintings will be seen by the public in other cities.

Out of 1853 works submitted, 349 were selected by the Jury. The judging was carried out by: Jack Levine, Painter, for paintings and watercolors; Lothar Brabanski, Assistant Professor, American University, for sculpture; Richard Lahey, Principal, The Corcoran School of Art, for prints and drawings; Bruce Etchison, Director, Washington County Museum of Fine Arts, for crafts. Our heartfelt thanks go to them for undertaking this laborious and time-consuming task. Selection of the Jury was the responsibility of the Gallery, in answer to the wishes of local artists' groups which in the past have shouldered this duty.

Every year the Gallery acquires works from the exhibition for its permanent collection. This year's purchase funds were contributed by the civic minded donors in the Washington area listed on the following page. The Gallery and the Community at large are in their debt. To the funds contributed by these donors is added any excess of entry fees over expenses actually incurred for the exhibition.

GUDMUND VIGTEL

*Assistant to the Director*

# CATALOGUE OF THE EXHIBITION

Because all awards in the exhibition are of equal weight and distinction, they are indicated in the catalogue by a star before each catalogue number.

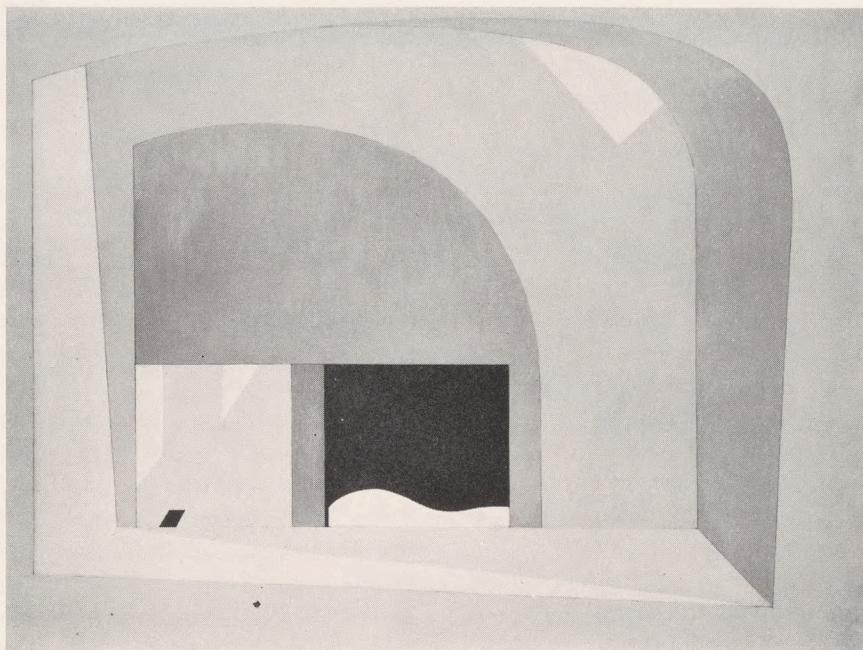

A high percentage of the works shown are available for purchase. The Gallery will handle sales as a public service. Payment on the installment plan may sometimes be arranged directly with individual artists. The prices of works for sale are listed as a convenience to the parties interested, and are believed to be correct, but no sales are final unless confirmed by the Gallery and the artists at the conclusion of the exhibition.
